Subject: Schedule a Meeting

Hi Chris,

We met at the EPA/GRLI Session on Wednesday, July 18th, in Milwaukee. After your presentation on the GRLI program we briefly talked about the Back 40 Project.

I asked to schedule a meeting with you to discuss the Back 40 Project. You said to send you an email note and the meeting would be scheduled. I'd like to suggest a meeting during the weeks of August 19th or August 26th. Scheduling it for a time between mid-morning to mid-afternoon would allow me to commute to the city without having to be challenged by all the regular commuters.

Topics I'd like to explore with you are GRLI's program(s) on preventing environmental problems from occurring aka "Preventive Maintenance". And, the Back 40 Project, specifically the 180 degree change of direction from the EPA as stated in your letters dated March 8, 2018, May 3, 2018 and June 1, 2018.

Hope the Mayor of Milwaukee took you to a nice place for dinner after this event, maybe Lake Park Bistro or something comparable.

Let me know when we will meet.
